BICYCLES

At Raleigh, bicycles are our passion and lifestyle.

We design them, we build them, and we ride them. We race. We commute. We climb and descend mountain trails and passes. We strive for that perfect ride everyday. Our bicycles are the product of this passion.

2008 marks our fresh and most creative collection of bicycles to date. We have designed, developed, engineered, and tested our products to fit every individual riding style perfectly. "Real Bikes For Real People" is our motto and we approach the development of each bicycle with this as our goal.

Our bikes offer a superb level of performance no matter what your riding style, local topography, or budget requires. From our award-winning carbon road bikes and the innovative Cadent FT series to classic steel single speeds, beach cruisers, 29er mountain bikes, and our new touring and deluxe commuter models, our goal to provide something for everyone has been realized in our refreshed 2008 line.

Bicycles are our passion and this is why we create. We invite you to share in this passion.

From everyone at Raleigh - Enjoy the Ride.

ROAD

Performance, acceleration, innovation, and looks that will catch every eye - these are the unsurpassed qualities that define our road bicycle line, qualities that will assist you in all your road riding endeavors. Featuring our award-winning Direct Connect/ACE Evolution carbon Frame and a redesigned/reshaped series of aluminum Frames, both equipped with uncompromised components, Raleigh road bikes will take you Pastern and Further than you have ever dreamed.

DIRECTEVOLUTION

Meet our lightest, strongest, and most responsive Frame – here's a little insight to why our award-winning carbon road Frame weighs in at sub 1 kilo, has pro-level features, and rides with acute precision.

DIRECT CONNECT CARBON

This process eliminates the use of lugs and overlapping joints by miter cutting tubes of High Modulus Carbon Fiber to very specific lengths and angles. Then each tube is bonded to each other while in a Frame jig ensuring exact alignment. Joints are then wrapped with a series of carbon fiber strips to reinforce the joint. The entire Frame is heated so the resin of the wrapped joints bond with the tubes creating a very strong and sculpted joint. The result – a road Frame that possesses a unique stiffness/weight ratio making this Frame the lightest and most durable road Frame we have engineered.

ACE (Advanced Carbon Engineering) Evolution

ACE Evolution is the designation used to describe our High Modulus Carbon that is used to create the carbon tubes for our Direct Connect Carbon Frames. It is made up of Uni-Directional carbon layers that are specifically laid up to create a unique profile. For each of our carbon tubes. The result – a Frame that is so intelligent it will respond to your every move without hesitation.

WARRANTY

RALEIGH bicycles are distributed by Raleigh America, Inc.

Raleigh America, Inc., Bicycle Limited Warranty

It is the owner's responsibility to thoroughly read and understand the owner's manual and regularly examine the product to determine the need for professional, authorized service or replacement. Please consult an authorized Raleigh America, Inc., bicycle dealership with any questions on use and maintenance. Regardless of the length of the warranty, Raleigh America, Inc., does not infer that the bicycle will last forever or cannot be broken. All Raleigh framesets and bicycles have a finite, limited useful product life cycle. The length of this useful life cycle will vary by environment, riding conditions, frame material and construction, riding style, maintenance, and the amount as well as type of use the bicycle or frame is subjected to. A worn out bicycle does not indicate it is warrantable, rather that the bicycle has outlived (exceeded) its useful product cycle.

Raleigh America, Inc., warrants this new Raleigh America, Inc., bicycle frame against defects in material and workmanship, subject to the following limitations, terms, and conditions:

ITEM	WARRANTY TERM LENGTH
STEEL BICYCLE FRAMES WITH WHEEL SIZE LESS THAN 20"	LIFETIME, FOR AS LONG AS THE ORIGINAL RETAIL PURCHASER OWNS THE BICYCLE*

1. This warranty only applies to the original retail purchaser and is not transferable.
2. Specific model exceptions to this warranty are noted with the bicycle documentation.
3. Raleigh America, Inc.'s sole obligation during the acceptable duration of this warranty is, AT RALEIGH AMERICA, INC.'S OPTION, to repair or replace the product with a current item that is equivalent in construction, design, or value.
4. Raleigh America, Inc.'s liability under this limited warranty shall never exceed the amount of the original purchase.

To obtain service under this warranty, you must:

1. Return your fully assembled Raleigh America, Inc., bicycle to an authorized Raleigh America, Inc., bicycle dealer within the United States of America.
2. A bicycle that has had the components removed cannot be evaluated or warranted.
3. Provide proof of purchase, including but not limited to the retail bill of sale, your credit or debit card receipt, or other satisfactory proof of the date of purchase.
4. The proof of purchase must indicate the bicycle was sold fully assembled and adjusted by an authorized Raleigh America, Inc., dealer within the United States of America.
5. Sales where the bicycle was delivered in a carton to the end user (e.g., mail order or Internet sales) void the warranty.

This warranty does not apply to damage or failure due to:

1. Accidents, alteration, abuse, neglect.
2. Material fatigue, normal wear and tear.
3. Improper assembly, maintenance, or installation of parts or accessories not originally intended to be compatible with the bicycle as sold, including but not limited to power assist accessories, forks, brakes, or tires different from original specification.

This warranty also excludes:

1. Commercial use, racing or competition, stunting, jumping, trick riding, ramp riding, aggressive riding, riding with excessive loads, lack of technical skill, competence, or experience of the user.
2. Bicycle frames, which have been repaired (e.g., welded or bonded), repainted, or had the original decals removed.
3. Frames, forks, wheels, axles, handlebars, and stems, which are bent from just riding along, can be a sign of misuse or abuse and are not covered under this warranty.
4. Personal transportation costs or product freight costs to or from an authorized Raleigh America, Inc., bicycle dealer.
5. Any additional costs associated with the incompatibility of existing parts and the replacement frame or fork.

Warranty replacement frames must be fully assembled by an authorized dealer to maintain the warranty coverage. The warranty for the replacement frame shall be the warranty offered for the equivalent bicycle's frame of that model year. If not assembled by the dealer, replacement frames are considered aftermarket frames. Aftermarket frames are only warranted for one year from the date of purchase for the original purchaser. This one-year warranty excludes any issues that can be traced to assembly or component incompatibility.

This warranty is expressly in lieu of all other warranties, and any implied warranties of merchantability or fitness for a particular purpose created hereby, are limited to the same duration as the express warranty herein. Raleigh America, Inc., shall not be liable for any incidental or consequential damages. Some states do not allow the exclusion or limitations of implied warranties, incidental or consequential, so the above limitations and exclusions may not apply to you. Retailers and wholesale outlets for Raleigh America, Inc., products are not authorized to modify this warranty in any way. This warranty gives the original owner specific legal rights. Other additional rights may vary from state to state.

All Raleigh bicycles meet or exceed CPSC standards. Complete equipment is included with each Raleigh bicycle but not necessarily shown in photographs, e.g., reflectors. All Raleigh bicycles are covered under warranty. See your authorized Raleigh dealer for complete details. Raleigh specifications are subject to change without prior notice. Raleigh is a registered trademark of the Raleigh Cycle Limited.

WARNING: All riders depicted in this catalog are professionals. Do not attempt to duplicate any actions that are beyond your abilities. ALWAYS WEAR A HELMET!

Raleigh America is proud to be a member of Bikes Belong, a national coalition of bicycle suppliers and retailers working together to put more people on bicycles more often. Through national leadership, grassroots support, and promotion, we work to make bicycling safe, convenient, and fun.

We're working together to guarantee that future generations continue to enjoy the many benefits of cycling.

All of us here at Raleigh want to give a HUGE shout out to the companies below that provided us with their goods for the catalog photo shoot. Thanks.
